

35 Routes Scheduled for Torrance School Buses for Fall Semester

With the reopening of school next Thursday, school buses again will be familiar sights on Torrance streets, carrying youngsters to and from classes. There will be 35 different routes.

High school students who live more than two miles from school and elementary students who live more than 1 1/4 miles away are eligible for bus rides furnished by the Torrance Unified School District. Changes in district boundaries and increased enrollment have caused changes in the daily bus schedules.

Freshman orientation at all high schools will be held next Wednesday, with transportation furnished as follows:

South High—All buses will follow the schedule as listed, starting at 8:30 a.m.

Torrance and North High Schools—All bus stops will be made as listed, starting at 12:30 p.m.
